## Being clear about your priorities

Determining what you want in retirement living takes serious thought. So what's important to you? What do you value most about where you live? And what kind of things do you like to do with your time, energy and talents? What makes life fun and truly fulfilling for you? Before you begin to compare your different options for the future, it's important to have a clear picture of the way you want to live in your retirement years.
